Cancellation Policy

In order to keep the day and time slot for your lesson each week, payment is required in advance for the number of times that lesson falls in any given month. If you are unable to make one of those lessons, it is possible to re-schedule to another day/time within that calendar month. 24-hour notice is required for the cancellation of any lesson regardless of the reason. If canceling with 24+ hour notice, the lesson can be rescheduled within the same calendar month. If canceling with less than 24-hour notice, the lesson will not be rescheduled or refunded, regardless of the reason. Students will be responsible for the lesson fee even if paying per lesson. Rescheduled lessons will not be carried forward into another month. This policy does not apply if the facility cancels due to weather or planned events.
